MICHIGAN DISTRICT OF
KEY CLUB

Meet the Committee

The Kiwanis Family Relations committee aims to strengthen and increase Key Club's relationship to the other branches of Kiwanis. We encourage clubs to reach out and collaborate with the K-Family.

Hi Key Clubbers! I am Rebecca Galloway, the Kiwanis Family Relations Chair for Michigan. Working with the K-Family is important because it allows us to make a larger difference and learn to work with a wide variety of people. We can learn from and teach things to all the other branches, whether they're younger or older.

Hello! My name is Nadia Nasir and I serve as the District Treasurer. I am also part of the K-Family committee. I believe keeping strong relationships with our K-Fam is very important as it strengthens our ability to serve our community and meet people from all over the state who have the same goal as us, serving others.

Hey Key Clubbers! I'm Prisha Guha and I'm the Division 11 Lieutenant Governor. Staying connected with the Kiwanis Family allows for a stronger community of servant leaders.

Hey! I'm Hannah Bogner, the Lt. Governor of Division 8, and I'm very excited to be apart of the K-Fam committee. The K-Fam is important because you have the opportunity to work and learn from others who have a passion for serving.

Kiwanis

Kiwanis clubs aim to make a lasting difference in their communities by serving the children around them. It is comprised of over **190,000** adult volunteers with over **7,000** clubs.

Many Kiwanis clubs sponsor a Kiwanis Family club to have an even larger impact and to teach leadership and caring to others.

Kiwanians support Key Clubs in all that they do. From financial support to using their connections to help our projects, Kiwanis clubs are a great resource.

Partnering with a local Aktion Club is a great way for Key Clubbers to learn from others, make friendships, and work with people of different skill sets.

Love Key Club? Continue your service by joining Circle K in college! Circle K is the college level Kiwanis branch. It's an amazing way to meet new friends to serve alongside.

Circle K members are easy to relate to because they just finished high school. They can provide insight to your journey beyond high school and are great at planning service projects.

Builders Club

Builders Club is the middle school or junior high branch of Kiwanis. Their vision is to develop competent, capable, caring leaders through the vehicle of service. Builders club truly lives up to their motto of building leaders who can then be better prepared for their high school career. They have 37,000 members and over 1,500 clubs!

Motto:

Collaborating with your local Builders Club is a good way to recruit members for when they become freshmen!

K-Kids

K-Kids has the youngest members of the Kiwanis Family. It develops leadership in elementary aged students. Members help out their communities in both big and small ways, but most importantly, they are getting a strong foundation for service. What has the K-Fam committee been up to?

Monthly Contests

Each month we are going to release a contest with 3 K-Fam themed tasks. One club who completes them all will be randomly chosen to receive a themed care package, but everyone who enters will get something too!

Awards

If your club holds 2 K-Fam events by Fall Rally, you'll receive an award there. You can win another award by holding 5 by SLC. We are keeping track of this through the MRF, so make sure you're turning them in to the district secretary!

Calendar

We are currently developing a calendar that everyone can add to so that we can have more inter-club and Kiwanis Family interactions! Stay tuned for more news!

Directory

We are also working on a directory for the other K-Fam branches. This will hopefully make it easier for Key Clubs to make contact with them.
