Fall Board

A BUSY WEEKEND OF FUN WITH THE D-BOARD

During the last weekend in October, the District Board met together for a full day of work, fun, and lots of caffeine! We discussed many important things that will benefit our District as a whole, from the divisional planning presentations to SLC. We shared lots of laughs in between informational debates and discussions. If you want more information on the Board Meeting and what happened, ask your LTG!

(i.e. 'Soup Kitchen Fun?)" with a sub-label "Your answer".

FALL RALLY

what went down

Fall Rally was a success! As Decorations Committee Chair, it was certainly a lot of stress preparing for the event. Here's a letter from our Events Co-Chairs, Alex and Ishaan.

"Saturday, November 9th, the Mighty Michigan District came together to experience the Seventies and develop our service and leadership abilities. Even before the day officially began, a very excited crowd came together for icebreakers like singing karaoke and the Cup Game. In the Opening and Closing Sessions, the District Board was able to present some exciting updates, including the reveal of this year's SLC theme- the Roaring Twenties! In between, we were able to share our experience on topics like fundraising, graphic design, and public speaking. Of course, we also focused on direct service, working on projects like Plarn and making dog toys for donation across the state. Once more, congratulations to our contest winners, and thank you to Anchor Bay for hosting us, our Circle K and Kiwanian friends for joining us, and all of you who attended! We can't wait to see you at SLC in February."
