May Updates!

Even though we may not be at school, your District Board is hard at work planning for the upcoming year! Our Spring Board meeting is in a little over a week, and I couldn't be more excited :)

As you know, Key Club works with many charitable organizations and projects, one of them being **Eliminate**. Eliminate raises money to help families and communities with neonatal tetanus. Next week is Eliminate Week, and there are tons of fun challenges you and your club could do to participate! There is also a link at which you can donate directly to the project itself.

Be sure to check out my Instagram page to see me and other District Board members do things like eat a lemon and post a throwback picture!

Here's a link for more info: <https://www.keyclub.org/events/eliminate-week/>

Covid-19 Fundraiser

We are proud to join forces for the
**At Home But Not Alone - Supporting
Our Medical Heroes Campaign** to
raise funds and purchase equipment
to protect healthcare providers.

Join us by making a donation
today!

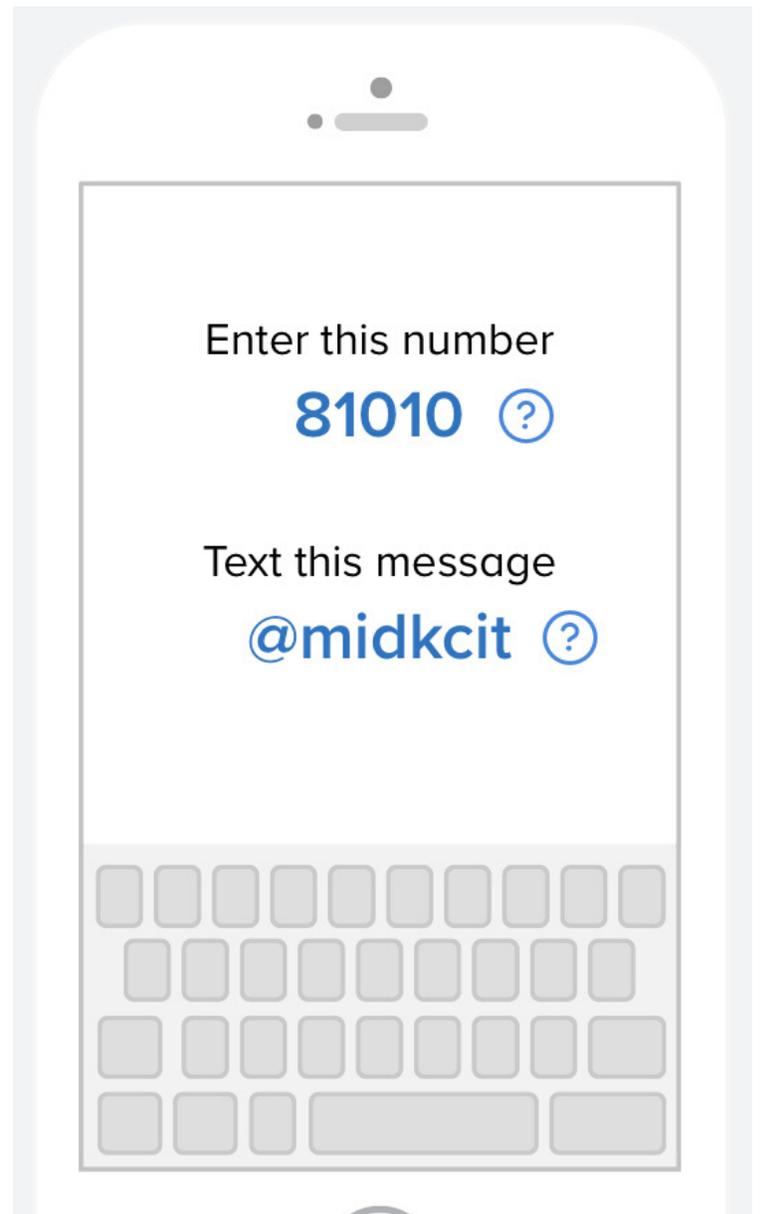

Buy the shirt at
this link!

ndraising/MIcovid](https://customink.com/fundraising/MIcovid)

For the past month, I've had the pleasure of serving on the Covid-19 Special Appeals Committee with Kiwanians and representatives from Kids Against Hunger and the Children's Foundation! We are excited to launch a t-shirt sale fundraiser in addition to the campaign. All of the money raised will go toward PPE and other needs for hospitals. **PLEASE** forward the information for this fundraiser to your club and participate! It is an easy way to help support those in need at this time, and you get a pretty cool shirt out of it :)

Remind Group Info

Thank you to everyone who has joined the Remind! If you haven't already, please make sure that you join!

It is an easy way to stay up to date and receive reminders of deadlines. I'm always available to reach through remind as well.

May TRF Link

TRFs are due on the 1st of every month for the month prior. For example, the May TRF is due on June 1st, and covers all activities completed in the month of May.

Every TRF will have a new link, so be sure to read my monthly newsletters or check the Michigan District of Key Club website to find the new link every month!

The link to the previous month's TRF will close on the 15th, and you will not be able to fill it out unless you communicate with me. For example, the April TRF, which was due May 1st, will close on May 15th.

Please make sure to check that you are filling out the correct TRF every month! Here is the link for the May TRF: <https://forms.gle/tC55Lzqg9mdZnmDQA>

Contact Me!

Feel free to contact me through any platform with any questions or concerns you may have! I'd love to talk with you all about what's going on with your clubs :)
