Sistrict Olympics & T-Shirt

OLYMPICS - According to Hannah Povroznik "All Key Clubbers inside our Sistrict are encouraged to fill out a google form to briefly discuss their service project after completion. The project will be rated on a scale of 1 to 5 based on how extensive it is. Project "points" will be tallied and results will summarized in newsletters. This is a competition against your other sister districts. The winner will be announced following the end of the olympics (February 1st)...and will have ICON bragging rights!" [CLICK ME](#)
